FOR ALL WOMEN

which women suffer is caused by weakness or derangement in the organs of menstruation. Nearly always

when a woman is not well these organs are affected. But when they are strong and healthy a woman is very seldom sick.

ation of the menstrual function is equally effective for the girl in her teens, the young wife with domestic and maternal cares, and the woman approaching the period known as the "Change of Life." They all need it. They are all benefitted by it.

THE MONEY QUESTION

S VIEWED BY THE PEOPLE'S GREAT CHAMPION, W. J. BRYAN.

Most Logical and Forcible Discourse on the Retirement of the Greenbacks.

A TIMELY TOPIC ABLY TREATED.

Inasmuch as the money question, as coming session, is just now of vital interest, we herewith reproduce from don't. If you believe in it, you ask your St. Louis that part of it relating to the retirement of the greenbacks: "We are opposed to the retirement
